

TOTAL BENEFIT ACCESS PLAN

Finding the right health insurance plan for your family is hard. **Even a small enrollment mistake** could cost you big, and you can be stuck “locked in” a bad plan until the next open enrollment! Proper advice and looking at the complete picture might keep more money in your pocket and can improve your overall coverage too!

Get the right guidance getting enrolled by **your** licensed, certified and most importantly impartial independent insurance professional, and have your own advocate year round.

We save you time, money and aggravation. Because it doesn't matter who your broker is, **until it does.**

One Time Consulting Services:

Initial Setup, Enrollment and Consultation only:	\$149.00
Client Renewal only:	\$99.00
Extended Services: support hour.	\$99.00 per issue and \$49.00 per additional

Or have your advocate on call year round!
