

# THINKHR COMPLY TOOLS TO HELP YOU SUCCEED

ThinkHR Comply  
has thousands of  
**forms, documents,**  
and **tools** at your  
**fingertips**

Provided By:

## Stay up-to-date

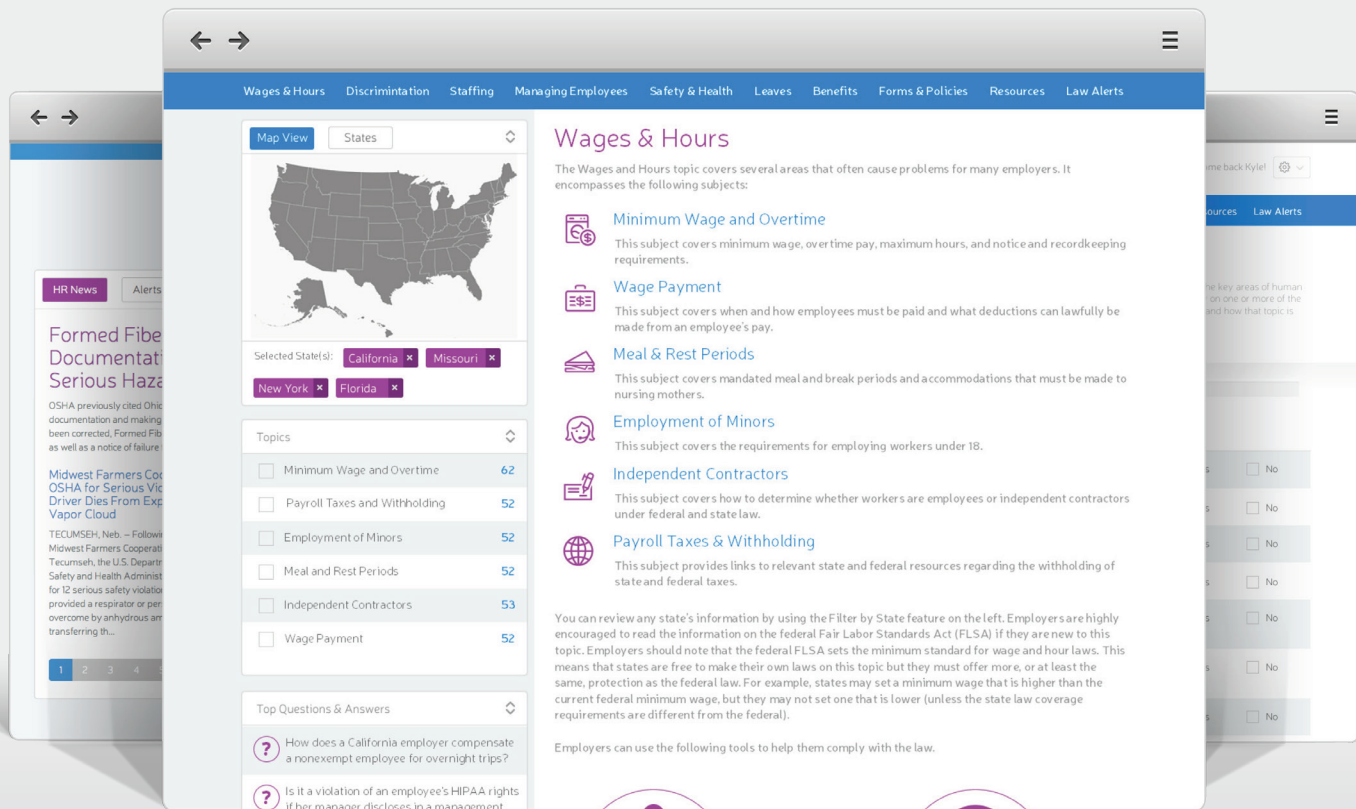

ThinkHR Comply is cloud-based, so information on policies, laws and **HR best practices** is continually updated and always current. Access our robust Q&A Database to see the questions and answers from our **ThinkHR Live** team or get the latest policies and forms on topics like hiring, time off, compensation, and benefits.

## Remain compliant

To bring **the most value** to their companies, HR professionals need to stay on top of laws, policies, news, and best practices for managing and developing employees. This waterfall of information can be overwhelming. **ThinkHR Comply** turns the waterfall into a manageable stream of the important, current information you need to implement **best practices and avoid risks**. You'll get law alerts, whitepapers, access to HRCI webinars, and more.

# An award-winning HR resource center

## A powerful resource toolkit that will help you shine

We're HR professionals just like you and we know the areas where you could use a hand—creating **employee handbooks**, developing job descriptions, writing performance reviews, or even aligning and finalizing compensation. We've created easy to use, **cloud-based tools** to help you complete these tasks while ensuring you remain in compliance and keep the best interests and goals of your company front and center.
