

Your New Blue Solutions® Plan

Find your new recommended 2014 Blue Solutions plan using the chart below. To make your renewal even easier we've identified the plan that most closely matches your current plan. Or you can choose from among 36 other options to suit your needs.

More comprehensive coverage

Blue Solutions health plans now cover Essential Health Benefits like pediatric dental and vision. Your health plan also continues to cover doctor visits, hospital admissions, emergency room treatments, maternity care, lab tests, X-rays, prescriptions, and vision benefits for both children and adults.

It's easy to enroll in Blue Solutions plans

You have two options:

- Do nothing! If we don't hear from you, we will automatically enroll you and your employees in the plan that most closely matches your existing plan. It's that easy!
- Choose another plan from the other 36 available options in the Blue Solutions product suite.

You will receive a new group number and your employees and their dependents will receive new member ID cards. Below you can find the plan your group will be enrolled in when your coverage renews, if you do not choose another plan.
