# Critical Illness Insurance<sup>1</sup>

**Bills are the last thing you want to worry about when you're seriously ill.**

**We can help.**

215.355.2121 • [www.totalbenefitsinc.com](http://www.totalbenefitsinc.com)

**A UnitedHealthOne<sup>SM</sup> Critical Illness insurance plan can pay you cash for a qualifying serious illness. You can use the cash how you want** — for bills, living expenses, out-of-pocket medical costs, and more.

## Critical Illness Can Affect Anyone

### Did you know:

- In the U.S., 38% of women and 44% of men develop cancer in their lifetimes.<sup>2</sup>
- Every 40 seconds someone in the U.S. has a stroke.<sup>3</sup>
- By 2020, over 700,000 Americans will suffer end-stage kidney disease.<sup>3</sup>

## A recent study found that out-of-pocket costs associated with a critical illness can be as high as \$14,444.<sup>4</sup>

The inability to work can significantly cut into family income. Not only do the costs of the illness add up, but lost income from missed work also takes a toll — on average another \$50,600.<sup>4</sup> One study found that 44% of Americans have less than \$5,887 in savings to cover a financial crisis.<sup>5</sup>

**Can you afford a major illness?** UnitedHealthOne<sup>SM</sup> Critical Illness coverage can be that rainy day fund. You hope you never need it but glad you have it, if the time comes.

## Who needs Critical Illness insurance?

- If loss of income would impact your way of life.
- If you or your spouse is the primary breadwinner.
- If you have health insurance.
- If you don't have health insurance.

Diagnosis of a Critical Illness resulting from a preexisting condition commencing thereafter will be covered unless otherwise excluded by the policy.

A "preexisting condition" means any illness or injury for which a covered person: (1) received any diagnosis, medical advice or treatment, or had taken any prescription medications during the 24 months immediately preceding the effective date of the covered person's coverage under the policy; or (2) manifested symptoms which would cause an ordinarily prudent person to seek diagnosis or treatment within the 12 months immediately preceding the effective date of the policy.

## Guaranteed Renewability to Age 70 Subject to Listed Conditions

You may keep this policy in force until the next premium due date following the primary insured's 70th birthday, as long as premiums are paid when they are due. However, we may refuse renewal if there is fraud or a material misrepresentation made by or with the knowledge of a covered person in filing a claim for policy benefits.

## Beneficiary

A covered person can name any person, other than the covered person's employer, as a beneficiary. The covered person can change the beneficiary at any time without the consent of the designated beneficiary by notifying us in writing on a form furnished by us. The new designation will be effective when the notice is received by us. If we pay the proceeds before we receive the covered person's change request, we are released from further liability to the extent of our payment. A new designation of beneficiary terminates the interests of the previous beneficiary.

You are the beneficiary for your spouse until your spouse designates a new beneficiary by notifying us in writing on a form furnished by us.

If more than one beneficiary is designated, but their respective interests are not specified, the beneficiaries will share the proceeds equally. The interest of a beneficiary who dies before the covered person will terminate and be shared equally by the named beneficiaries surviving the covered person, unless otherwise provided in the beneficiary designation. If the beneficiary dies at the same time as the covered person, or within 15 days after the date the covered person dies, payment will be made by us as if the covered person survived the beneficiary. If there is not a designated beneficiary surviving at the death of the covered person, payment will be made in a single sum to the covered person's estate; however, at our option, payment may be made to one or more of the following surviving relatives of the covered person: (A) spouse; (B) children, including legally adopted children; (C) parents; or (D) brothers and sisters.

## Effective and Termination Dates

### Effective Dates for Covered Persons

The effective date for all initial covered persons begins at 12:01 a.m. standard time at your last address shown in our records on the policy effective date shown in the policy.

### Eligibility

Your spouse becomes eligible for insurance under this policy on the latter of: (1) the date you become insured under this policy; or (2) the first day of the month after the date of becoming your spouse.

### Adding Spouse Coverage

If: (A) you apply in writing for insurance under the policy on your spouse; (B) you pay the required premiums; (C) you furnish proof of good health, at no cost to us; and (D) we agree to insure your spouse, then the effective date will be shown in the written notice to you that your spouse is insured as a covered person.

### Termination

- A. All coverage under this policy will automatically stop on the earliest of the date: (1) we receive your written request to terminate coverage under this policy; or (2) the full Critical Illness Maximum Lifetime Benefit amount for both you and your spouse is paid.
- B. A covered person's coverage under this policy will automatically stop on the earliest of the date: (1) of the covered person's death; (2) when the full Critical Illness Maximum Lifetime Benefit amount is paid for that covered person; or (3) at the end of the grace period for which premium was due and remains unpaid.

If we accept premium for a covered person after the full Critical Illness Maximum Lifetime Benefit amount for that covered person has been paid, such premium will be refunded.

The termination date for the above events stated in B. 1 and 2 above is the first of the month following the termination event. Insurance will terminate at 12:01 a.m. standard time at your address on the termination date of coverage. Termination shall be without prejudice to any loss incurred while this policy was in force.

In the event of termination, we will return promptly the unearned portion of any premium paid. Termination shall be without prejudice to any claim originating prior to the effective date of termination.

A spouse will cease to be a covered person at the end of the month which he or she ceases to be your spouse due to divorce.

We must receive notification within 31 days of the date an insured ceases to be a covered person. If notice is received by us more than 31 days from this date, any unearned premium will be credited only from the first day of the policy month in which we receive the notice.

### Continuation for Spouse in the Event of Divorce or Death

If any covered person dies while this policy is in force, this policy will remain in force for the remaining covered persons as long as premiums continue to be paid.

If the primary insured dies, the policy may be continued by the spouse, if a covered person, as the new primary insured.

In the event of proof of legal divorce, we may issue a new policy providing the same benefits as this policy, to your spouse, if a covered person.

## Premium Provisions

Each premium is to be paid to us on or before its due date.

### Change of Premium

From time to time, we may change the rate table used for this policy form.

Each premium will be based on the rate table in effect on that premium due date. The age of the covered persons, type and level of benefits, and place of residence on the policy effective date are some of the factors that could be used in determining your premium rates. At least 30 days notice of any plan to take any action or make a change permitted by this clause will be mailed to you at your last address as shown in our records.

### Grace Period

You have until the 31st day following each premium due date to pay all premiums due. We may pay benefits for diagnosis of a Critical Illness during the 31 day grace period. Any such benefit payment is made in reliance on the receipt of the full premium due from you by the end of the grace period.

However, if we pay benefits for a Critical Illness during the grace period, and the full premium is not paid by the end of the grace period, we will require repayment of all benefits paid from you or any other person or organization that received payment on those claims. If repayment is due from another person or organization, you agree to assist and cooperate with us in obtaining repayment. You are responsible for repaying us if we are unsuccessful in recovering our benefits from these other sources.

### Residence

Your premium will be based on place of residence on the policy effective date. If your residence is misstated on your application, or you fail to notify us of a change of residence, we will apply the correct premium amount beginning on the first premium due date you resided at that place of residence. If the change results in lower premium, we will refund any excess premium. If the change results in a higher premium, you will owe us the additional premium.

**Time Limit on Certain Defenses**

Any misstatement by you in the application for this policy may be used to void this policy or to deny a claim. This action may be taken in the first two years, with no lapse, of a person's coverage. After the two-year period, this action may be taken only for a fraudulent misstatement.

**Underwriting**

Plans are subject to health underwriting. If you provide incorrect or incomplete information on your insurance application your coverage may be voided or claims denied.
