

## Teladoc is dedicated to making health care better, faster and easier

Your access to Teladoc lets you **talk with a doctor anytime**, anywhere, through phone or online video consults. Teladoc is dedicated to improving member experiences by continually offering more health options and easier ways to access care.

### More health care options

#### DERMATOLOGY

Millions of Americans suffer from common skin problems, many of which are easily treatable. Get the skin care you need.

#### BEHAVIORAL HEALTH

Teladoc doctors can provide advice, recommendations and referrals for whatever is on your mind.

### Easier and better service

#### MOBILE APP

The Teladoc member app gives you 24/7/365 access to a doctor through the convenience of your mobile devices.

#### ADVANCED SCHEDULING

Now you have the choice to talk with the first available doctor or to schedule a consult at a time that fits your schedule.

#### FREE PHONE SUPPORT

There is no longer a fee associated with customer service support by phone. Let us know how we can help...for free!

## Talk to a doctor anytime for \$40 or less

Less than an urgent care or ER visit, Teladoc's never more than a doctor visit.
