

CMS Awards Ed MacConnell Elite Status

Local Broker joins the ranks of other Top Health Exchange Certified Specialists.

Edward MacConnell is the President of Total Benefit Solutions, Inc located at 427 E. Street Rd in Feasterville

Edward MacConnell has worked with and advocated for Individuals, Small Businesses and Medicare-Eligible Individuals as a Licensed Insurance Broker for over 24 years and has been assisting his Clients with their enrollments through the Marketplace since the Affordable Care Act went into effect in 2013. With Total Benefit Solutions' policy of not just signing up a Client, but advocating for them long term, it's easy to see how Ed was able to reach Elite Status.

In order to reach Elite Status, you must have helped 100-499 Clients enroll during the Annual Enrollment Period. While our official numbers are not readily available right now, we have estimated that Total Benefit Solutions, Inc has taken the time to speak with over 350 people this enrollment period and have submitted applications for the majority of them.

The Marketplace Circle of Champions program recognizes the hard work, expertise and service of Marketplace-registered agents and brokers. "Consumers turn to agents and brokers for trusted advice and guidance in selecting plans, enrolling in coverage, and managing their health insurance policies throughout the year," said Randy Pate, Director of Center for Consumer Information & Insurance Oversight (CCIIO) operation within CMS, which oversees the Marketplace. "We thank Edward MacConnell for his hard work and exceptional service in helping Americans get coverage."
