It’s easier to get pet insurance plans now that UnitedHealthcare has teamed up with FIGO. You can choose a plan with the deductible and reimbursement levels that best meet your needs, and you can add optional powerups like dental and wellness coverage. Plus, you’ll have the freedom to see any veterinarian for your pet’s care. Plan benefits include 24/7 access to Live Vet for virtual visits, a simpler claim process and direct deposit reimbursements. And there’s more. The FIGO Pet Cloud app gives you tools designed to help manage your pet’s care and help make pet parenting a breeze.
